

SNIPPETS FROM MRS DENISON

## LEGO CLUB Term 4 at St Joseph's Woodburn

In Term 4, LEGO Club will run from **3:30 - 4:00 pm** (please note the earlier finish time) and will commence Monday Week 2. This adjustment means we will finish half an hour earlier than previous terms.

We are excited that the new time will allow more staff to join in the fun, and we'll be running a series of exciting weekly challenges during the sessions.

We thank you for your ongoing support. Our goal is to maximise student interest, engagement, and enjoyment, while also involving more staff in the afternoons.
